

HALLOWEEN

Join CGSL for some Halloween Fun!

On Saturday, 10/28 girls will be wearing team costumes (girls need to wear softball pants, cleats, and use all normal required equipment). Teams in 10a, 12a, and 14a playing non CGSL teams will need to include their number on their shirts.

Teams may decorate the outside of their dugouts. Get creative!

Each Team will provide a canopy with a game/activity for girls/families to participate in. Each player will be asked to donate a bag of candy to their team booth. Games will be from 4-6 p.m. near the Main Field.

Snack Bar will be open with special menu for purchase.

Check with your manager on how you can help. We look forward to a fun filled day of softball with some Halloween fun!
