

Cypress Girls Softball

Parent Agreement

I will complete my child's registration form truthfully and to the best of my knowledge and return it for review. I understand that my child will not be considered registered until all fees are paid, including the snack bar deposit. If I am in need of a financial assistance review, I will contact the Player Agent &/or Treasurer.

I understand that my snack bar deposit of \$50.00 will be returned to me at the conclusion of the season **only** if I have met my parent obligation, and worked my snack bar shift(s) that I agreed to.

If I would like to **buy-out** of the fundraiser, I may do so, otherwise I will be expected to participate in all the CGSL candy/product fundraisers, and return none of the product back to CGSL. (including Pancake Breakfast tickets)

I know a portion of my registration fee goes toward the purchase of a CGSL jersey and a pair of shorts and my daughter will receive her uniform based on the size I indicated on the registration form. If a uniform needs to be re-ordered for any reason, I will be financially responsible for payment of the new uniform.

If I am planning on managing, coaching, assistant coaching, or being a team mom, I understand that I must provide personal information, a copy of my driver's license and a \$15.00 fee to my team manager. This information will be used to provide me with ASA insurance, and run a national background check. CGSL will collect all of my information and provide it to ASA. My application will either be approved or disapproved by ASA, based on any felony convictions that are included in my personal record. I understand that all information is confidential, and I will not be allowed to participate in any practices or games until this information is obtained by CGSL. I must provide this information prior to **February 19, 2010** and, if approved, must wear a picture ID during all games, which will be provided by CGSL.

Cypress Girls Softball League has the objective to provide my child with a wholesome atmosphere in which to engage in healthy athletic competition. Their primary goal is build character to my child. Because of the excitement and high emotion at some of the games, CGSL thought it important to express some guidelines regarding what they expect from me and my child. I know that CGSL does encourage cheering, excitement and exuberance, but I must be careful to express my enthusiasm in a positive manner. **I understand that it is my responsibility to review all sportsmanship expectations with my child.**

- CGSL will not tolerate any behavior on the playing field or in the stands, which will hinder the spirit of sportsmanship and co-operation that CGSL is trying to encourage.
- At no times will I be permitted to use abusive language or profanity, directed at or in the vicinity of the players, managers/coaches, CGSL officials, ASA officials, or umpires.
- No alcoholic beverages will be permitted in the vicinity of any CGSL players regardless of what playing facility is being used.
- No smoking is allowed on any athletic field. All smoking must be done in the parking lot.
- CGSL is a volunteer organization. I will do my part to keep our facility clean.
- Failure to comply with these rules may result in a player, parent, family member or guest, being asked to leave the premises and result in forfeiture of a game. Repeated offenses could result in expulsion from the league.

CGSL will provide me with a full refund, if I drop my daughter from CGSL prior to teams being formed. Pulling a player from a team can adversely affect that team and possible the entire division, **therefore no refund will be provided to me after teams are formed.**

I understand that I may request that my daughter be placed on the same team as another child. I know that all requests will be communicated to the manager and coaches prior to the draft, but there is no guarantee that my request will be met. (Exception T-Ball)
